Windows & Patio Doors

MANUFACTURING EXCELLENCE SINCE 1947

JANUARY-SEPTEMBER 2014 RECAP

Aluminum Clad Paint Finish

All of our standard, feature and custom color options are now painted to AAMA 2605 performance standards.* Leading characteristics of this high performance paint include exceptional color retention and minimal chalking. A new 20-year paint warranty is included with this upgrade.

*Anodized paint finishes are 2604.

Standard Color Option

In keeping with modern color palettes and escalating demand, we moved our increasingly popular brown shade "Coffee Bean" into the standard category. The color replaced "Sandstone" which has become a feature color option.

Interior Paint Finish

We now offer a factory applied top-coat of paint. Pre-finished white is intended to be your final coat of paint, reducing job site finishing costs. This great time-saving option is covered by a 2-year limited warranty.

Warranty

The warranty for our window and patio door product lines was updated to incorporate some of the new options such as 2605 aluminum clad paint finish, which now comes with a 20-year limited warranty, a 20-year insulated glass warranty and a 2-year Prefinished White warranty.

Product

Enjoy the clean and contemporary styling of the Lifestyle Double Hung with our Harmony Collection (vinyl clad) exterior. Built with the same manufacturing methodology as our aluminum clad products, use vinyl clad for improved U-Value performance.

Glazing

All product is now manufactured with double-strength glass Endur IG™ spacer produced by Cardinal and features Preserve® protective film.* Two additional spacer options, black and white, are also now available.

*Insulated glass with foam spacer will continue to be produced at Lincoln and will not have the Preserve® film applied.

When only the best will do.
