Lincoln will replace or repair, at its discretion, any of its products found to be defective by virtue of materials or workmanship, provided notice is given to it within thirty (30) days from discovery of a defect, and provided the defect occurs within the ten (10) year warranty period. Lincoln may choose, at its discretion, to refund the original purchase price of a product if replacement or repair is not reasonably possible. The warranty on replacement product will extend for the remainder of the warranty period of the original unit. The warranties in this document are the only warranties applicable to Lincoln doors. The warranties set forth herein may not be altered or amended without the express written consent of Lincoln Wood Products, Inc. This warranty is applicable only to product installed in USA.

8. Damage to metal or clad surfaces caused by brickwash, chemicals, salt, acid rain or airborne pollutants (corrosion-resistant hardware is available for coastal applications).
9. Damage to glass caused by brickwash, sanding or improper washing.
10. Condensation on doors due to interior humidity and resultant water damage.
11. Custom finishes.
12. All door hardware and hardware finishes are not warranted.
13. Product that has been field milled.
14. Damage due to exposure to conditions beyond published performance specifications.
15. Wood is a product of nature and may have variations in grain, Lincoln cannot be responsible for these color variations when staining or painting product and will not consider them a defect.

This limited warranty does not cover labor, shipping expenses or other costs associated with the installation or removal of products for repair or replacement.
